Information on Directors

Barry Henwood **Chairperson/Director**

Barry Henwood after a long and successful career in retail and community banking, Barry became Director of the Board for the Hurstbridge Bendigo Bank Community Bank, then its Chair, and later, its CEO/Chair. Today, Barry has stepped down from these roles, but he remains the CEO of Valley Community Financial Services Limited.

Barry's comprehensive experience includes roles as Chair of the Hurstbridge Traders Association, and of the Community Bank Stadium in Diamond Creek's fundraising committee (a \$10.5 million project). After the 2009 bushfires, Barry worked with the Bendigo Bank, his local community bank, and the local community to rebuild communities severely impacted by the bushfires. Subsequently, he was invited to present at several public forums and, in 2010, became the Nillumbik Shire Council's Citizen of the Year. In 2011, he was awarded a Paul Harris Fellow award from the local Diamond Creek Rotary club.

DIRECTORS' REPORT

Joe Rettino Deputy Chairperson/Director

Joe Rettino is currently a partnership broker for Tafe Gippsland. He is a former councillor of East Gippsland Shire Council, where he served a term as mayor (2016-2018). Previously, Joe has held directorships on Ormeo District Health and East Gippsland Water.

During his time in Local government, Joe successfully advocated for significant grants from the Federal and State governments. Joe's experience had given him specialist skills in stakeholder and community engagement, leadership, communication, organisational skills, relationship management, commercial management, strategic procurement and governance.

Brendan Pfanner Secretary/Director

Brendan Pfanner is a photographer, and, for 12 years, a teacher at the School for Student Leadership, Snowy River Campus focusing on year nine residential education and personal development. Brendan's areas of expertise include educational leadership, curriculum development, digital technologies and building community partnerships.

Brendan has been a secondary school teacher since 2000, both in Australia and the United Kingdom. He also worked with Skills Victoria, regulating apprenticeships and traineeships. He is a registered teacher with the Victorian Institute of Teaching and a School for Student Leadership school council member.

In 2017, Brendan graduated as a Fellow of the Gippsland Community Leadership Program. Recently, he became a General Firefighter with the Country Fire Authority and has been appointed to the Orbost District Community Recovery and Transition Committee to support the strategic direction of the community's recovery and transition from the 2019-2020 bushfires.

Andy Tegart Treasurer/Director

Andy Tegart is the Chair of ERGT Australia, which provides emergency response, incident management, fire fighting, HUET and safety training to Australia's oil and gas, defence maritime, aviation and resources industries, including all Exxon/BHP's assets in Gippsland. Andy is also the President of the Gippsland Emergency Relief Inc. He brings 40 years' experience of private/public sector emergency management and fire protection and has worked and lived in Gippsland for 30+ years.

Andy's career includes planning, research, and field trial work in NSW for, among others, the NSW Rural Fire Service, and CSIRO Fire Research's project, Aquarius. His career has included fire management positions in Hawkesbury and Hunter NSW National Parks and Wildlife Service, and the State Electricity Commission of Victoria, where he was responsible for industrial fire brigades, medical centres, rural fire control and prevention, security, and emergency and fire training.

David Impey Director

David Impey is currently chief executive officer of the Community Enterprise Foundation which is the philanthropic arm of Bendigo and Adelaide Bank.

Helen Martin Director

Helen Martin is a long-time resident of East Gippsland and runs a small consultancy company. Previously, Helen held senior positions in local government where her responsibilities included community recovery from disasters. She has also worked for State and Commonwealth agencies. She has been a member of several government advisory councils and boards, and chair of the Gippsland Coastal Board.

Helen's specialist skills lie in strategic planning, community engagement and policy development for rural and regional areas. She is an active volunteer with the Country Fire Authority's District 11 Headquarters Brigade and Red Cross Emergency Services and served with both during the 2019-20 bushfires. The fires' aftermath, with her professional experience, has given her a clear view of the impacts of natural disasters' on individuals, communities and the environment. Helen is a graduate of the Gippsland Community Leadership Program and is strongly committed to enhancing the Foundation's role in assisting recovery and building resilience.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2022

Note 1 Summary of Significant Accounting Policies

General Information

The financial statements cover East Gippsland Community Foundation Limited as an individual entity. The financial statements are presented in Australian dollars, which is the entity's functional and presentation currency.

East Gippsland Community Foundation Limited is a not-for-profit unlisted company limited by guarantee, incorporated and domiciled in Australia. A description of the nature of the entity's operations and its principal activities are included in the directors' report.

The financial statements were authorised for issue, in accordance with a resolution of directors, on 12 September 2022. The directors have the power to amend and reissue the financial statements.

Basis of Preparation

These general purpose financial statements have been prepared in accordance with the Australian Accounting Standards - Simplified Disclosures of the Australian Accounting Standards Board (AASB) and the Australian Charities and Not-for-profits Commission Act 2012. The entity is a not-for-profit entity for financial reporting purposes under Australian Accounting Standards.

The financial statements, except for the cash flow information, have been prepared on an accrual basis and are based on historical costs, modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and financial liabilities. The amounts presented in the financial statements have been rounded to the nearest dollar.

Statement of Compliance

The entity is a not-for-profit entity as defined in AASB 1053 Application of Tiers of Australian Accounting Standards and is therefore eligible to apply the 'Tier 2' reporting framework under Australian Accounting Standards.

The financial statements comply with the recognition and measurement requirements of Australian Accounting Standards, the presentation requirements in those Standards as modified by AASB 1060 General Purpose Financial Statements - Simplified Disclosures for For-Profit and Not-for-Profit Tier 2 Entities (AASB 1060) and the disclosure requirements in AASB 1060. Accordingly, the financial statements comply with Australian Accounting Standards – Simplified Disclosures.

Accounting Policies

(a) Revenue and Other Income

Operating grants, donations and bequests

When the Entity receives operating grants, donations or bequests, it assesses whether the contract is enforceable and has sufficiently specific performance obligations in accordance with AASB 15 Revenue from Contracts with Customers.

When both these conditions are satisfied, the Entity:

- identifies each performance obligation relating to the grant;
- recognises a contract liability for its obligations under the agreement; and
- recognises revenue as it satisfies its performance obligations.

Where the contract is not enforceable or does not have sufficiently specific performance obligations, the Entity:

- recognises the asset received in accordance with the recognition requirements of AASB 1058 Income for Not-for-Profit Entities;
- the Entity's operating grant, donation and bequest contracts do not typically contain sufficiently specific performance obligations. Therefore such funds are recognised as income immediately under AASB 1058 even if the funding is to be spent in future reporting periods.

Interest income

Interest income is recognised using the effective interest method.

(b) Economic Funding

The entity received funding from the Victorian State Government and the Community Enterprise Foundation to support the ongoing operations of the entity over a three year period. The current funding received from Bushfire Recovery Victoria, through the Department of Justice and Community Safety, and the Community Enterprise Foundation aims to cover administration costs in managing funds allocated from the Victorian Bushfire Appeal.

(c) Fair Value of Assets and Liabilities

The Entity measures some of its assets and liabilities at fair value on either a recurring or non-recurring basis, depending on the requirements of the applicable Accounting Standard.

Fair value is the price the Entity would receive to sell an asset or would have to pay to transfer a liability in an orderly (ie unforced) transaction between independent, knowledgeable and willing market participants at the measurement date.

EAST GIPPSLAND COMMUNITY FOUNDATION LIMITED
ABN: 23 649 303 186
NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2022

(d) Employee Provisions

Short-term employee provisions

A provision is made for the entity's obligation for short-term employee benefits. Short-term employee benefits are benefits (other than termination benefits) that are expected to be settled wholly before 12 months after the end of the annual reporting period in which the employees render the related service, including wages, salaries, sick leave and annual leave. Short-term employee benefits are measured at the (undiscounted) amounts expected to be paid when the obligation is settled.

(e) Cash and cash equivalents

Cash and cash equivalents includes cash on hand, deposits held at-call with banks, other short-term highly liquid investments with original maturities of three months or less, and bank overdrafts.

(f) Financial Instruments

The entity's financial instruments consist mainly of deposits with banks, receivables and payables.

Recognition, initial measurement and derecognition

Financial assets and financial liabilities are recognised when the entity becomes a party to the contractual provisions of the financial instrument, and are measured initially at fair value adjusted by transactions costs, except for those carried at fair value through profit or loss, which are measured initially at fair value. Subsequent measurement of financial assets and financial liabilities are described below.

Financial assets are derecognised when the contractual rights to the cash flows from the financial asset expire, or when the financial asset and all substantial risks and rewards are transferred. A financial liability is derecognised when it is extinguished, discharged, cancelled or expires.

Classification and subsequent measurement of financial assets

All financial assets are initially measured at fair value adjusted for transaction costs (where applicable). For the purpose of subsequent measurement, financial assets are classified as at amortised cost. The entity does not utilise hedging instruments.

Classifications are determined by both:

- the entity's business model for managing the financial asset
- the contractual cash flow characteristics of the financial asset.

All income and expenses relating to financial assets that are recognised in profit or loss are presented within finance costs or other income, except for impairment of trade receivables, which is presented within other expenses.

Financial assets are measured at amortised cost if the assets meet the following conditions:

- they are held within a business model whose objective is to hold the financial assets and collect its contractual cash flows
- the contractual terms of the financial assets give rise to cash flows that are solely payments of principal and interest on the principal amount outstanding.

After initial recognition, these are measured at amortised cost using the effective interest method. Discounting is omitted where the effect of discounting is immaterial. The entity's cash and cash equivalents and trade and other receivables fall into this category of financial instruments.

Impairment of financial assets

The entity makes use of a simplified approach in accounting for trade and other receivables and records the loss allowance at the amount equal to the expected lifetime credit losses. The entity uses its historical experience, external indicators and forward-looking information to calculate the expected credit losses.

Classification and measurement of financial liabilities

The entity's financial liabilities include trade and other payables. Financial liabilities are initially measured at fair value, and, where applicable, adjusted for transaction costs unless the entity designated a financial liability at fair value through profit or loss.

Subsequently, financial liabilities are measured at amortised cost using the effective interest method except for financial liabilities designated at fair value through profit or loss, which are carried subsequently at fair value with gains or losses recognised in profit or loss. The entity does not utilise derivative financial instruments.

All interest-related charges and, if applicable, changes in an instrument's fair value that are reported in profit or loss are included within finance costs or other income.

EAST GIPPSLAND COMMUNITY FOUNDATION LIMITED
ABN: 23 649 303 186
NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2022

(g) Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO).

Receivables and payables are stated inclusive of the amount of GST receivable or payable. The net amount of GST recoverable from, or payable to, the ATO is included with other receivables or payables in the statement of financial position.

Cash flows are presented on a gross basis. The GST components of cash flows arising from investing or financing activities, which are recoverable from or payable to the ATO, are presented as operating cash flows included in receipts from customers or payments to suppliers.

(h) Income Tax

No provision for income tax has been raised as the entity is exempt from income tax under Div 50 of the *Income Tax Assessment Act 1997*.

(i) Trade and Other Payables

Trade and other payables represent liabilities for goods and services provided to the entity prior to the end of the financial year and which are unpaid. Due to their short-term nature they are measured at amortised cost and are not discounted. The amounts are unsecured and are usually paid within 30 days of recognition.

(j) Accrued expenses

The entity recognises expenses which relate to the current financial year, which the entity has committed to pay at a future date. The amount is recognised as an expense in the Statement of Profit and Loss and a corresponding liability recorded.

(k) Provisions

Provisions are recognised when the entity has a legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reliably measured. Provisions recognised represent the best estimate of the amounts required to settle the obligation at the end of the reporting period.

(l) Comparative Figures

The entity was established in April 2021 however no activities commenced until July 2022. There are no comparative figures.

(m) New and Amended Accounting Policies Adopted by the Entity

The entity has adopted all of the new or amended Accounting Standards and Interpretations issued by the Australian Accounting Standards Board ('AASB') that are mandatory for the current reporting period.

The adoption of these Accounting Standards and Interpretations did not have any significant impact on the financial performance or position of the entity.

The following Accounting Standards and Interpretations are most relevant to the entity:

AASB 1060 General Purpose Financial Statements - Simplified Disclosures for For-Profit and Not-for-Profit Tier 2 Entities. The entity has adopted AASB 1060 from 1 July 2021. The standard provides a new Tier 2 reporting framework with simplified disclosures that are based on the requirements of IFRS for SMEs.

EAST GIPPSLAND COMMUNITY FOUNDATION LIMITED
ABN: 23 649 303 186
NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2022

Note 2 Critical accounting judgement, estimates and assumptions

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts in the financial statements. Management continually evaluates its judgements and estimates in relation to assets, liabilities, contingent liabilities, revenue and expenses. Management bases its judgements, estimates and assumptions on historical experience and on other various factors, including expectations of future events, management believes to be reasonable under the circumstances. The resulting accounting judgements and estimates will seldom equal the related actual results. The judgements, estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are discussed below.

Recognition, initial measurement and derecognition

To determine if grant funding should be accounted for under AASB 1058 or AASB 15, the entity has to determine if the contract is 'enforceable' and contains 'sufficiently specific' performance obligations. When assessing if the performance obligations are 'sufficiently specific', the entity has applied significant judgement in this regard by performing a detailed analysis of the terms and conditions contained in the grant contracts, review of accompanying documentation and holding discussions with relevant parties. Income recognition from grants received by the entity has been appropriately accounted for under AASB 1058 or AASB 15 based on the assessment performed.

Employee benefits provision

As discussed in note 1, the liability for employee benefits is expected to be wholly settled within 12 months from the reporting date and therefore measured at the (undiscounted) amounts expected to be paid when the obligation is settled.

In our opinion, the financial report of the company, is in accordance with the *Australian Charities and Not-for-profits Commission Act 2012*, including:

- i. giving a true and fair view of the company's financial position as at 30 June 2022 and of its financial performance for the year ended on that date, and
- ii. complying with Australian Accounting Standards - Simplified Disclosure Requirements and the Australian Charities and Not-for-profits Commission Regulations 2013.

Basis for opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of our report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Basis of accounting and restriction on distribution

Without modifying our opinion, we draw attention to note 1 to the financial statements, which describes the basis of accounting. The financial report has been prepared to assist the company to meet the requirements of the *Australian Charities and Not-for-profits Commission Act 2012*. As a result, the financial report may not be suitable for another purpose.

Independence

We are independent of the company in accordance with the auditor independence requirements of the *Australian Charities and Not-for-profits Commission Act 2012* and the ethical requirements of the Accounting Professional and Ethical Standards Board's *APES 110 Code of Ethics for Professional Accountants (including Independence Standards)* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

Directors' responsibility for the financial report

The directors of the company are responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards - Simplified Disclosure Requirements and the *Australian Charities and Not-for-profits Commission Act 2012* and for such internal control as the directors determine is necessary to enable the preparation of the financial report that is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or cease operations, or have no realistic alternative but to do so.

Auditor's responsibility for the audit of the financial report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatement can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors.
- Conclude on the appropriateness of the directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.
- Communicate with the directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
